

## MEINE KERNKOMPETENZEN

### Transformation of the tax function

- Redesign of global tax structures
- Restructuring of tax departments and reporting systems
- Establishment of clear governance and accountability

### Tax governance and control

- Implementation of global tax control frameworks
- Strengthening of tax risk management and internal controls
- Improvement of communication with executive boards and audit committees

### Tax Integration Following M&A

- Integration of tax teams following acquisitions
- Harmonization of tax processes across different jurisdictions
- Restructuring of international tax structures

### Leadership and Stabilization

- Interim leadership of corporate tax departments
- Management of internal teams and external advisors
- Trusted advisor to the CFO and executive management
